Yesterday's Pine River

This is the fourth year our school has been involved in the Multi-Cultural Leadership Program up at Pine River. Five students, along with Mr. Godsoe were involved in the one week program this year.

Before going we were briefly introduced to one another and were given a rather general idea of what to expect. I don't think any of us had any idea of what was in store for us.

We arrived along with forty other students at 200 acres of beautiful forest and rolling hills. As we gathered in the lounge, little conversation went on between the students of different schools. We were put into family groups which we were in for most of the week's activities.

There seemed to be a mutual understanding between us all that something beautiful was happening. The respect and trust and friendships that lived at Pine River created an atmosphere of love that surrounded us all. Our experiences and friendships still live today.

I hope what we received can be given through us for a long time to come.

Miss Kathy McCabe and five grade nine students will enjoy a week at Pine River this spring.

SPORTS REVIEW . . .

Rugby

The 1982 Rugby season proved to be an interesting one. We began with many first year players coupled with some of last years juniors. The team was made up of a great group of guys who practiced diligently and were supportive of each other on and off the field. Although we got off to a slow start, through continued practice we began to see an improvement. This constant team effort resulted in the York and Toronto District Championships.

Coach Williams

came away with a second place finish, behind the winners by only 28 points.

We completed the season by sending seven of our boys to the Ontario Championships where Richard Bria received a tenth place in the 87K weight class and Dave Tomlinson (Westons Best) a fourth place finish in the 61K weight class. Great Season Guys.

Coach Williams

Wrestling

The 1982-83 wrestling season was the most successful Weston has ever experienced. This year Weston boasted an excellent 18-0 record with our best ever York season. We won the Etobicoke warm up Tournament in early December and went on to win the York League Dual Meet trophy. At the York Championships we were able to beat all comers with 154 points.

Some unexpected injuries hampered our efforts in the Toronto District Finals. We

Football

1982-1983 technically must be regarded as a disappointment. The Senior football team record was 1 won - 4 losses, but, as for individual growth and development the season was a success. All we can hope and work towards in a more productive season on the playing field next year.

Many thanks and good luck to our graduating ball players and to our team manager Fay Chang and Patty Dicresce. As for our returning players and juniors moving up to seniors we the coaches, want you to keep in mind our moving goal for next season, "to be champions."

This was the to remember for the Weston Jr. Football Ironmen. After finishing the regular season with a 4-2 record the Jr. Ironmen were given a bye to the finals, and home field advantage, because they ended up in first place. They would either meet York Memorial or their arch rival East York, but the latter surged ahead as they had for so many years in the past to the Ironmens consternation.

It was inevitable that the Jr. Ironmen would meet East York in the finals. When the whistle blew to end regulation time both teams were scoreless.

During most of the two overtime periods East York and the Ironmen were so evenly matched neither could score. In the last minute of the second overtime period Weston made a tremendous effort and finally kicked the ball into the end zone for the win and the York Championship title for only the 3rd time in Jr. Football history.

Hopefully next year the Jr. Ironmen will continue their success which was built by this years championship team.

Swimming

Once again this year, BOTH our Boys and Girls Swim Teams won the York Championships! Strong performances by newcomers Kaiti Tesky, Barb Vallis, and John Walker, along with the power of our veterans, enabled us to win all the divisions as well. Special congratulations also go to Steve Robichaud, Donna Varsas, and Rob McLean for winning the

individual high-point trophies in their respective divisions. The Boys Team win now increases our streak to 10 consecutive years! In addition, Barbe Langenberger and Forbes Brown were chosen as this year's outstanding swimmers. The scores below show why the entire team can feel proud of a job well done!
